Dear Mr. Occhipinti:

Your agency contacted us regarding a reward offer upon learning of the death of Philadelphia Police Officer Moses Walker, Jr. Officer Walker was shot and killed as he walked to a bus stop after finishing his shift at the 22<sup>nd</sup> Police District in an apparent robbery attempt.

Your reward offer of \$10,000 is generous and important to our Department. I would like to formally request this assistance from you for this reward. I understand that you require a letter from me certifying that a provider's information was critical to the arrest and conviction, and the defendant's formal certificate of conviction.

I will notify you of the progress of our investigation. Thank you again not only for your support of the Philadelphia Police Department but your support for law enforcement throughout our nation.

Sincerely,

A handwritten signature in black ink, reading 'John J. Gaittens'.
